

Evangelism sharing - 4 Stages

01

Death

Reminders of mortality gets people thinking about eternity. Saying things like “if this was your last day on earth”.... or “if you were to die today?” helps people reflect on the brevity of life

02

Sharing the seriousness of sin

Before sharing the cure, a person needs to be aware of the illness. It does me no good to say you need to be saved, when they are not aware of the problems with being lose. Hell, Heaven, Judgement Day, Seperation from God, etc. should first be shared.

03

Sharing the cure for sin

No one will want to be cured from sonmething they think is not a big deal. Once you share the seriousss of sin, share with them the “Great Physicans’ cure and the spiritual benifits of being saved, “sins washed away” “eternity with God,” etc.

04

Call to action

Ask them to do what the Bible says to be saved. Mention the eternal importance of being faithful and having Bible studies for learning how to faithfully follow God Also prepare ahead of time, the location and help you may need if they want to be baptised.

Why is this important? - 5 Points

- 01** **Excuses**
I already go to a church or a Bible study are comments you might hear from people when you invite them to such activities. But 80 percent of the time, if you are friendly people will talk with you.
- 02** **Blueprint Biblical**
This format is teachable. It does not require hours of training, excessive materials. Only thing that is required is personal but prep, brainstorming and a Bible.
- 03** **Precision Execution**
Learning how to do this just requires time, practice with the script and with role playing with self or others. This evangelism method can be done anywhere where a conversation can be had.
- 04** **Performance Peaks**
The more you practice the easier it is to do this in real life. Your having a Bible study with them, when you share the Bible and they are reflecting on the Bible passages shared. Even if people say they are not interested in having a Bible study with a group, you can still have such a study through this process.
- 05** **Versatility**
Besides talking with folks that you meet when your running errands, at the gym, park, etc. This format can also be applied to evangelism events, like door knocking, vendor campus outreach, vendor flea market/fair ground activities, etc.

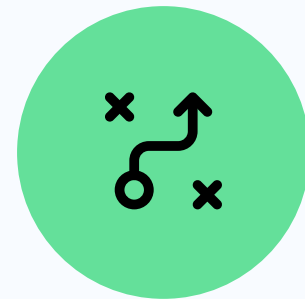

How to share Pyramid - 4 Stages

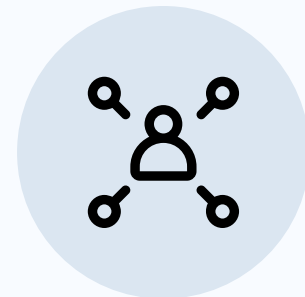

Reflect on the themes

Reflect on the themes of death, the seriousness of sin, Jesus' sacrifice and gift of salvation. As well as ways to give an action call. For those who accept the action call: Think of how to share the theme of faithfulness and how to give an invite in sharing the need for growth in Bible study after baptism. Note: when someone is baptised at a church, you can say "welcome to the [church name] When your baptised you join His kingdom. Welcome to our family." This is a great interduction. And lets them know they are apart of your church/worship group.

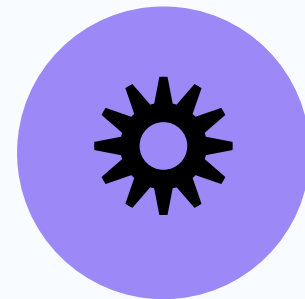

Strategic Brainstorm

Grab a piece of paper and pen. Brain storm from what you have been thinking about. Write down a script of things you can say to someone when having a conversation with them. Also look up Bible verses and add those you like to that script for when you share the gospel with someone. This script can be conversational. So asking questions is good for interaction and for engagement. Keep in mind this something you will share duing a conversation. A script can be up to 30-45 minutes (including interaction) I use written scriptes that take about 7-10 minutes to deliver (without interactions)

Execution Mastery

Once you have something written down, role play with a church group, evangelism group, your spouse, girlfriend/boyfriend, Christian friend, etc. Have one of the person(s) pretend to be Mormon, Athiest, Jehovah Witness, or non religious and practice sharing with them what you wrote down. It does not need to be word for word, the spirit of the message is whatt counts. The more you do this the better you'll become, till this is natural to do. Over time you'll become famailtr with your content and smoothly us it.

Apex of Triumph

When first beginning you may read from your written script, but the more you do this the easier it will become. When you practice doing this with others or even with just yourself, you'll learn the scriptures and the key phrases. This role playing activity will also synchronize your behavior psychological to more easily sharing your script socially with others. Note: role playing is fun. Besides using your script, you can also role play in giving invites to church, or a Bible study. Having cards for such activies, though not 100 percent needed, can help with the role playing exercises as a group. What is done with others socially become easier to do in day to day real life.

Most important fact about this method is it's Biblical

Sharing the Word of God orally/verbally
Bible Examples:

Philip in Samaria (**Acts 8:5-8**) Fleeing persecution, the evangelist Philip went to a prominent city in Samaria and publicly proclaimed the message of Christ to the multitudes.

Paul at Mars Hill / Areopagus (**Acts 17:22-31**) In the heart of Athens, the Apostle Paul engaged the local philosophers and the public, contextualizing the Christian message for a pagan, intellectual audience in a central civic setting.

The Apostles' Ministry (**Acts 5:42**): The early apostles faithfully proclaimed the message of Jesus "daily in the temple.

Jesus Teaching on the Mount (**Matthew 5-7**): Jesus Himself modeled public ministry by delivering the Sermon on the Mount to a large crowd of followers and seekers on a hillside.

Jesus Talks with a Samaritan Woman **John (4:1-42)** Christ has a conversation with a woman in a small town. He shares with her heavenly truths and she in turn shares what she heard with others. When the truth is shared, it's often given with a call to action.

John the Baptist, said after he shared the divine Word, to “produce fruits in keeping with repentance.” (**Matthew 3:8**) Jesus proclaimed the gospel and told people that “**The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel.**” (**Mark 1:14-15**)

Peter the Apostle told the lost to “**repent and be baptised**” and “**to save themselves from this corrupt generation.**” (**Acts 2:37-42**)

IF YOU WERE TO DIE TODAY...

- After our talk, later today, when you are driving home and got into a car accident, if you were rushed to the hospital, and had a doctor try to zap your heart to start it again, if you were to breath your last, and die, would you be 100 percent certain without any doubt, that you'd go to heaven? *(Yes/No response)*
- In response to what they say ask "Are you a good person?" You know when we lie, we are liars, when we lust the Bible says we commit adultery, (Matt 5:27-28) when we take things from others it's called theft, when we curse, we blaspheme God. So we are thieves, we are liars, we are adulterers, we are blasphemers. Sin is a serious thing.
- The Bible says in Romans 3:23 (reference) "For all have sinned and fall short of the glory of God."
- And that separates us from God. We can't have a relationship with the Lord, if sins are in the way. Bible says God cannot be around sin. Isaiah 59::2 "But your iniquities have separated you from your God; your sins have hidden his face from you, so that he will not hear."

WHAT HAPPENS WHEN YOU BREAK THE LAW...

- When we go past a stop light we can get a ticket. When we break the laws of the land we may go before a judge. This may lead to prison or other penalties. When we break the laws of heaven, we will have committed crimes against God. He is judge of creation. When we sin we will have to go before Him.
- On Judgment Day, this separation can be permanent. The Bible says in Revelation 20:11-15... that God will judge all creation and those who are not saved "will be thrown into the lake of fire...which is the second death."
- The word for death in the Bible in greek means separation. If sin separates us from God, the "second death will be an eternal separation. If we don't have our crimes against heaven forgiven, then our sins will separate us from our Creator and our source of life for all time.
- Since sins separates us from God, what is the solution to being saved from our sins?
- What did God do for us because of our sin? Course you know John 3:16. The verse is painted on people's chests at football games, and it's on car bumper sticker. John 3:16 says, "God so loved the world that He gave us His son..." God sent loved us enough to send us His son, to die for us.

WHAT JESUS DID FOR THE WORLD

- Let me ask you a question? When it comes to salvation, how were you saved? (Their response) Questions to ask....A. When were you saved? B. Where were you saved? C. How were you saved?
- Get as many details as you can when they share their salvation story. Ask them if they said the sinners prayer to be saved? If they say "yes," or share something else, ask if they were later baptised, if so for what reason? Ask how they were baptised, (sprinkled, poured, etc.) And when they were baptised after being "saved."
- If they are honest, after you hear their salvation story, and you share what the Bible says, they'll want to be baptised. Too often, people are baptized for one unscriptural reason or another, then when they hear baptism is for salvation, they lump their baptism into that. If you can get them to think about how they were saved and speak it out and share why they were baptized afterward, that will make a difference to an honest seeker.
- Complement the good things you hear, like believing in God, wanting to please Jesus, etc. If they save they were baptised for forgiveness of sins, then go to the 2nd evangelism cards "One Shot Church"

WHAT UNITES US WITH GOD?

- Part of salvation is what the Bible says in Romans 10:10 “With your heart you believe and are justified, with your mouth you confess and are saved.” We need to believe in Jesus and have faith to confess that belief. Without belief we won’t come to Jesus to follow what the Bible says...
- In talking about what Jesus did, let’s look into salvation. As you know, sin separates us from God. The Bible says, we got to do our part, with what Jesus did for us.
- What removes sin from our souls that enables us to connect and unite with God? The Bible say in Galatians 3:27 “That those who have been baptized into Christ have clothed themselves with Christ.”
- The scripture says we can be so close to Jesus, its as if we are clothed with Him. And how does this unite us with Christ? In Acts chapter 22:16, it says “arise and be baptized and wash your sins away”...we need to be baptized to have our sins that separate us from God, washed away.
- Romans 6:4 says, that baptism is a burial, so we can come up to live a new life. Sprinkling dirt on someone is not a burial. This word for baptism in Greek is baptizo and means to immerse. All the Bible examples have people going down into the water.

WASH SINS AWAY

- How are sins washed away? In Acts 2:38, it says we need to “Repent and be baptized in the name of Jesus Christ for the forgiveness of your sins.”
- Repentance means to turn away from sinful lifestyle practices...like adultery, theft, etc. When we repent and are baptised, our sins are forgiven. Part of being saved is in having a new life through faithfully living for Jesus.
- My question to you is would you like to be baptized? To have this happen to you, to have this happen, to have your sins forgiven and washed away?” It just takes a few minutes and will change your life. There’s a church nearby where we can go to.
- They may say “yes,” or “no,” or want to wait till later. In either case, encourage them to get a Bible study with you. Get their contact info. If they say “no” or maybe later, emphasize the importance of them having a Bible study with you, “to learn essential truths about going to heaven and faithfully following God.”

WHAT UNITES US?

If they say “yes,” to being baptized

- A. Invite them to a nearby church you go to.
- B. Contact/call someone who is reliable, like a preacher, etc. who can baptize them.
- C. While waiting for them to be baptised at the church building, talk with them about the importance of having a Bible study afterwards “so that they can learn from the Bible how to faithfully follow God.” Mention that “faithfulness to following God is important to receive the crown of life,” share verse Revelation 2:10 When saved we can study how to live a new life for living for God to be pleasing to Him.
- D. After they are baptised say “welcome, when your baptized you join His church. We are glad to have you as our church family at the _____.”
- E. After they are baptized, invite them over to your home or another persons agreed home for hospitality. “We’d love to have you over to our home this week for a home cooked meal and Bible study.” Get contact info for future Bible studies.
