

Questions to ask once you have gotten the ball rolling with gym vendor work (at Crunch)

- 1. Question:** How will I be notified when the gym vendor dates come up for the Crunch party events (for vendor work)? **Answer:** The person you contacted to sign up as a vendor will let you know of the dates a week in advance. And if you ask, will send you the year's schedule of upcoming events, via email.
- 2. Question:** How do I notify a gym for when I want to set up as a vendor at their location? **Answer:** The person you contacted will ask you what gyms you want to work at a week in advance (per upcoming scheduled event).
- 3. Question:** What times do vendors set up during a Crunch party event? **Answer:** The vendors can work from 5-8 PM, twice a month
- 4. Question:** How does the evangelism group, I am with, get permission to set up at a gym, if they are not the original person, that signed up? **Answer:** The evangelism group members, who come in to set up an event, let the front desk know they are with...and mention the groups name that signed up.
- 5. Question:** Crunch gives 5 free VIP memberships when a group signs up. How do I transfer such memberships to the team members? **Answer:** Those who wish to access this membership can go to their local Crunch gym and the front desk can call the person who signed up the evangelism team to verify/get permission for a VIP membership to be transferred to a group member. The membership is only valid as long as the evangelism group is part of the vendor program.
